BEFORE CONSOLIDATION

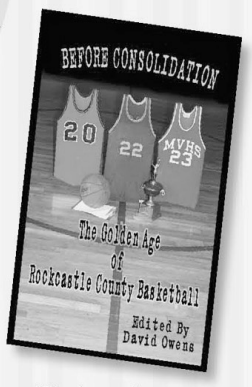
The Golden Age of Rockcastle County Basketball

David Owens and M.T. Publishing Company, Inc. are joining forces to bring you *Before Consolidation: The Golden Age of Rockcastle County Basketball*. This history/pictorial book will explore times before consolidation, when the county had three high schools, Mt. Vernon, Livingston and Brodhead.

The 1950s was known as the Golden Age of Basketball throughout Kentucky, which was probably when the county rivalry was at its height. This extraordinary book will take you through intense rivalries, when 36 players instead of 12 represented Rockcastle County or when passion was so strong that local police had to come to prevent hostilities from breaking out between Red Devil, Blue Devil or Tiger fans!

Only a limited number of books will be printed, therefore it is necessary to take all orders in advance. The pre-publication price is **$37.50*** for the deluxe standard edition and **$64.95*** for the genuine bonded leather edition if ordered by the pre-order deadline of **July 31, 2013**.

This 8 1/2" x 11" hardbound book will have a full color dust jacket and contain a minimum of 128 pages. You may have your copy personalized with a name stamping on the cover for a nominal charge. All pre-ordered books will contain the wording "Commemorative Edition" on the cover and a printed personal note from the author. These commemorative edition books are numbered as they are sold.



**Final cover image subject to change.*
