(Cont. From A-10)

was close behind and finished 16th in 5:03.3.

Jessie had an outstanding performance in his first ever attempt at the 1500-meter. She has never trained for the event, but ran it in an effort to score for her team. Jessie covered the course with an unbelievable time of 5:43.4, a new RCHS record for the event. Kayla also ran an exceptional race in her first ever attempt at the event. She finished 10th overall with a great time of 5:53.3.

In the high jump competition, Mindy Bullock and Heather Hammond dominated the field, taking home first and second place, respectively. Mindy set her own school record in the event with an incredible leap of 5'0". She narrowly missed in her attempts of 5'1". Heather stayed close and finished with a personal best indoor effort of 4'10".

In the shot put competition, the girls had to make up for the absence of teammate Clarissa Hyndbald, last season's state champion in the event. Sheena Swinney helped take up the slack, even though she had never competed in the competition before. She placed third overall with an outstanding throw of 25'6.5". Tara Abney competed in the event as part of the pentathlon, a five-event competition that often determines the best all-around athlete at the meet. Tara threw exceptionally well and finished fourth overall with a personal best effort of 24'8". Mindy Bullock also threw a personal best and finished sixth with a tremendous throw of 23'7".

Tara Abney proved to be one of the top athletes at the meet with her second place finish in the competition. The pentathlon includes the 50-meter dash, 50-meter hurdles, high jump, shot put and the 800-meter run. Tara scored 1566 points and easily held off the remaining competition.

The girls were also successful in all three relay races. The 200-meter sprint medley relay team, Cheyenne Carmack, Tara Abney, Heather Hammond and Sheena Swinney ran an awesome race and finished first with a new RCHS record time of 27.2 seconds. This was nearly four seconds faster than last year's team. In the 4x25-meter relay, the team of Sheena, Tara, Heather and Cheyenne again captured the easy first place victory with an exceptional time of 5:06.2. They defeated their nearest opponent by over 35 seconds. They 4x850-meter relay team of Kayla Hayes, Makaylah Bryant, Danielle Arnold and Jessie Asher, ran a great race and placed fourth overall. They set a new RCHS record in the event with a time of 13:09.3.

The RCHS boys' team had a great meet despite being a little short-handed. Three key members of the team could not make the trip. The boys still managed to both place fifth with a total of 22 points. This was an amazing accomplishment with only four runners present. Also of note, the boys' team did not have an entire five events.

In the 50-meter dash, senior Jeremiah Myers ran an excellent race and finished 15th with a time of 7.2 seconds. Jeremiah's best effort of the day came in the 400-meter dash. He ran an amazing 1:00.9 and easily won his heat. He placed fourth overall in the event.

Eighth grader Matthew Whitaker also ran an exceptional 400-meter dash and finished 15th overall with a great time of 1:08.1. Matthew performed even better in the 800-meter run. He ran a great race and finished 11th overall with a personal best indoor time of 5:43.4.

Andrew also performed exceptionally well in the grueling 3000-meter run. He finished fourth overall with a new RCHS record time of 11:10.9. Bill also ran an exceptional race and finished with a personal best. He covered the course in 11:32.4 and placed sixth.

The 4x850-meter relay represented the last race of the day for the boys. The team of Andrew Nelson, Bill Burdett, Matthew Whitaker and Jeremiah Myers ran a fantastic race, covering the distance in an RCHS record time of 11:32.9. The team finished third in the event and earned a bronze medal for their tremendous effort.

The RCHS track and field team will next compete at the prestigious Kentucky High School Indoor Invitational held at the University of Kentucky's Nutt Field House in Lexington. The meet serves as a national invitational for outstanding track and field athletes across the nation. RCHS hopes to have several runners qualify and compete as in the past. Each event allows a limited number of athletes to compete based on the past year's indoor and outdoor performances. Several of the nation's top high school athletes and teams will be present. Many coaches at the collegiate level will also be on hand for recruiting purposes. Rockcastle will have several talented runners on display, many of which are being recruited by some of the state's top colleges and universities.

"Rockets"

(Cont. From A-10)

Chris Settles each adding a bucket. Harlan County could not get things together in the second half either, with the Rockets outscoring them 16-8 in the third quarter and 7-4 in the fourth for the 61-33 win.

Andrew Hammond was leading scorer for the Rockets with 15, followed by Aaron Anderton with 12, Jeremy Neeley with 7, Aaron Cash and Josh Rowland each with 6. Thomas Coffey and Jason Reynolds each with 5, Austin Miller with 3 and Chris Settles with 2.

Last Friday night, the Rockets traveled to Whitley County for what has become a traditional Homecoming meeting. The Rockets spoiled Whitley County's festivities; however, with the 72-51 win.

Aaron Cash, who had a career high 27 points against the Colonels, found the hole for 9 points in the first quarter, with Jeremy Neeley dishing in the other seven to give the Rockets the 16-0 lead at the end of the first.

Andrew Hammond had three blocked shots in the first quarter, with four in the night.

The Rockets extended their lead at halftime to 39-25, with another good quarter of scoring for Cash who had eight, and very even scoring from the rest of the Rockets with Hammond with 4, Neeley with 4, Aaron Anderton with 3, Thomas Coffey and Chris Settles each with 1.

The Colonels kept pace with the Rockets in the third, to end the quarter down 54-41, but good free throw shooting and eighteen points in the fourth for the Rockets gave them the 72-51 win.

Besides Cash's 27, Jeremy Neeley had 13, Aaron Anderton and Andrew Hammond each with 11, Josh Rowland with 6, Thomas Coffey with 3 and Chris Settles with 1.

The Rockets J.V. Team is now 9-3 on the season with wins over Oneida Baptist, Harlan and Whitley County.

"Lady Rockets"

(Capt. From A-10)

Clontz scored 2.

At Beres Monday night, senior Amber Falin provided the bulk of the Rocket offense in the first quarter to give her team a 13-9 edge. The second quarter belonged to the Rockets as they outscored Beres 22-13 to take a 35-22 lead to the dressing room at the half.

However, the second half was a rough one for the Rockets, who seemed to be playing a seven man team at times.

Rickles picked up her third and fourth foul early in the period and the Pirates had pulled to within three at 40-37 when Falin was called for a blocking foul, her fourth, after a Lady Pirate defender bounced off her on a screen. But, the Rockets responded

with baskets by Amy Barnett, Hammond, Denney and Anderton to put the Rockets in front 48-41 at the third quarter stop.

The Pirates got back within two at the 7:03 mark of the fourth quarter when the Rockets were whistled for their fifth foul, as opposed to four for the Pirates in the half, but that was all close as they would get as Falin got a three the old fashioned way, Denney put in two quick baskets and Hammond and Rickles combined for 8 points after the 2 minute mark of the game and Denney added a free throw for the final 64-55.

Falin took scoring honors on the night with 13; Rickles and Hammond each got 12; Denney scored 7; Hayes 6; Barnett 4; Lavego 3 and Ashley Mint, Johanna Abney, Bryanna Russell and Allison Anderson, 2 each.

Jayvees Win Four

After a slow start at Bell County Thursday night when they were down 12-4 at the first quarter stop, the Rocket Jayvees got back on track offensively to take a 16-14 half time lead.

The second half belonged to the Rockets totally as they outscored the Bobcats 27 to 16 for the 43-30 win, their 15th of the season against three losses.

Johanna Abney led the scoring for her team with 12; Jessie Hayes got 6; Ashley Carpenter 7; Bryanna Russell 6; Amy Barnett 4 and Tara Rowe, Lauren Clontz and Katie Parsons, 2 each.

At Garard County Saturday, the Jayvees got another for the win col-

umn, defeating the Lady Lions 48-28.

The Rockets were ahead 12-9 at the end of the first quarter and overtook their lead from there, winning 48-28. Abney got 14 points to lead scoring. Russell scored 9 points; Hayes 8; Rowe and Price, 5 each; Barnett 3 and Carpenter and Anderson, 2 each.

The Jayvees got to average one of their three losses Monday night at Beres, easily taking the measure of the Junior Pirates 60-12 to set a season high in game points scored.

In defense of the Pirates, their coach had to move three of his Jayvee players to fill out the ranks of the varsity. But, be that as it may, it was a fun game for the Rockets with every one on the team scoring.

Anderton took high point honors in the game with 18. Abney got 8; Barnett 7; Hayes and Stephanie Price 6 each; Katie Parsons scored 4 points; Russell 3 and Carpenter, Tara Rowe, Kristal Parsons and Anna Guitloff, 2 each.

The Rockets averaged another regular season loss Tuesday night by beating the Jackson County Lady Generals 31-25.

The score added 8 all at the end of the first period and knotted 13 all at half time. But, the Rockets came back in the second half to outscore the Generals 18-12, behind 7 second half points by Russell.

Bussell led the scoring for her team with 11; Abney got 8; Ashley Mint 6 and Anderton and Clontz, 3 each.

The Jayvees are now 18-3 on the season.

Freshmen Win Two

The Rocket freshmen team easily took the measure of their Garrard County counterparts, winning 45-25 Saturday.

Johanna Abney led the scoring with 19 points; Tara Rowe got 6; Stephanie Price, Laura Clontz and Katie Parsons scored 4 each and Kristal Parsons, Ashley Kimmel and Jessica Asher 2 each.

Against Jackson County Tuesday night, the freshmen shot out to a 33-14 first half lead but the Generals wouldn't go away, scoring the first 11 points of the third quarter to cut the lead to 8 points before Rowe stopped the bleeding for her team with a basket.

The Generals made a last ditch effort but the Rockets hung on for the 68-43 win.

Abney led the scoring with 14 points; Rowe got 12; Katie Parsons 8; Lauren Clontz and Kristal Parsons 3 each and Anderton, Guitloff and Allie Mize 2 each.
