**Notice to Public of Intent to
 Request a Release of Funds**
 March 15, 2001

Kentucky Housing Corporation
 1231 Louisville Rd.
 Frankfort, KY 40601
 F. Lynn Lucien,
 Chief Executive Officer

TO ALL INTERESTED AGENCIES, GROUPS AND PERSONS:

On or about March 24, 2001, Kentucky Housing Corporation (KHC) will request the U.S. Department of Housing and Urban Development (HUD) to release Federal funds for the following project:

Project: Daniel Boone Development Council Scattered Site Home Rehabilitation.

Purpose: This project will re-habilitate the homes of up to 30 low and moderate-income families living in Clay, Jackson, and Rockcastle Counties.

Location: Scattered sites in Clay, Jackson, Laurel and Rockcastle Counties.

Approximate HOME Funds in Project: \$518,400.

An Environmental Review Record respecting the within project has been made by KHC which documents the environmental review of the project. The Environmental Review Record is on file at the above address and is available for public examination and copying upon request during normal business hours.

All interested agencies, groups and persons desiring to have their comments considered by KHC should submit written comments to the Chief Executive Officer, Attention: Michael Dent. Such written comments should be received at the above address on or before March 22,

2001. All such comments so received will be considered and KHC will not request the release of Federal funds or take any administrative action on the within project prior to the date specified in the preceding sentence.

KHC will undertake the project described above with HOME funds from the U.S. Department of Housing and Urban Development (HUD) under Title II of the National Affordable Housing Act of 1990. KHC is certifying that KHC as State Participating jurisdiction consents to accept the jurisdiction of the Federal courts if an action is brought to enforce responsibilities in relation to environmental reviews, decision making, and action; and that these responsibilities have been satisfied. The legal effect of the certification is that upon its approval, KHC may use the HOME funds and HUD will have satisfied its responsibilities under the National Environmental Policy Act of 1969 and other related laws and authorities. HUD will accept an objection to its approval of the release of funds and acceptance of the certification only if it is on one of the following bases: (a) That the certification was not in fact executed by KHC's Certifying Officer; or (b) That KHC has failed to make one of the two findings pursuant to 24 CFR Part 58 Sec. 58.40 or to make the written determination required by Secs. 58.35, 58.47 or 58.53 for the project, as applicable; or (c) KHC has omitted one or more of the steps set forth at subparts E of 24 CFR Part 58 for the preparation, publication and completion of an Environmental Assessment; or (d) KHC has omitted one or more of the steps set forth at subparts F and G of 24 CFR Part 58 for

the conduct, preparation, publication and completion of an Environmental Impact Statement, if applicable; or (e) KHC has committed funds or incurred costs not authorized by 24 CFR Part 58 before release of funds and approval of the environmental certification by HUD; or (f) A Federal agency acting pursuant to 40 CFR part 1504 has submitted a written finding that the project is unsatisfactory from the standpoint of environmental quality.

Objections must be prepared and submitted in accordance with the required procedure (24 CFR Part 58) and may be addressed to: Mr. Ben Cook, Director, Office of Community Planning & Development, U.S. Department of Housing & Urban Development, PO Box 10444, Louisville, KY 40201-1044. Objections to the release of funds on loans other than those stated above will not be considered by HUD. No objection received after April 7, 2001 will be considered by HUD.
