Double Talk: No Action

an improved education system, and children of the aging population needing affordable health care and living conditions are responsible. needing affordable health care and living conditions are responsible, why aren't we doing something about it? The lawmakers we voted into of-fice are talking with a forked tongue when they promised to do these things when they asked for our vote during election time. Where are they new? In nice cozy offices somewhere in Washington, aroung about us cuts. now? In nice coty offices somewhere in Washington, ragining about tax cuts and who will benefit from it, of course. From my point of view, the children's education and senior problems of beingstole to have their siet: prescription. Mice should have the attention first. De rich, which mass of our elected offibials are, have no worries. They have health insurince the government pays for and are able

The idea of "no child will be left" behind," sounds like a fairy tale to me, and I don't believe in faries. A good education for all children begins in kindergarten, or more impor tanty, in the home, and is continued through high school and college—if the child is lucky enough to be from a family financially able or willing to sacrifice their own needs for his

nefit.
If those who make laws will shift ars, if they know how to get out of verse, and get into the reality of the

Where was he when Medicare needed a raise? The bill for prescrip-tion drugs for the cledity? Maybe he needs to visit more people in the ar-eas where the need is greatest and talk to those not able to afford the price of a dinner just so they can be in his

If we ever get these two problems taken care of, maybe we can begin thinking about giving the tax cut break and put a smile on the faces of the affluent the

Health Department launches campaign for car seats & belts

Motor vehicle crashes remain the leading cause of feath for all children ages 5-15, as well as for older teens and young adults.

If 100% of motor vehicle occu-

pants under five years old were pro-tected by children safety seats, ar estimated 472 lives (that is, and addi-

tional 173) could have been saved in 1998.

Failure to buckle up contributes to more fatalities than any other single traffic safety-related behavior.

To educate and inform our community of the life-saving beautiful to the contribution of the life-saving beautiful to the contribution of the life-saving beautiful to contribution to perform the contribution of the life-saving beautiful to contribute the contribution of the life-saving beautiful to confluence to provide parents with copportunity to have car savinispected by a child safety seat technique. This activity will conducted in conjunction with Drive Smart and will take place on April 17 from 10-1 at the Save-A-Lot Parking Lot.

Watch for flyers, posters and fact steets at focal businesses.

"Safety Sack," with coloring steets, crayons, safety information on historing steets, crayons, safety information to children at various events.

A visual survey was performed last week to determine the number of children in care seas or buckled part follow-up survey will be conducted in May to igleremine improvement.

A visual survey was conducted at the ligh school to determine the percentage of young drivers who wear safety belts; a follow-up survey will be conducted to determine improvement.

ment.

The best things families can do to safeguard the health and well being of children is to establish safety habits that set a patiern for safety for the rest of their lives.

The Rockeastle County Health Department is counting on everyone to help make this effort a success. Let's take the time to STOP and BUCKLE UP dur children!

Five-A-Day Challenge

There is still time to join the Five-A-Day Challenge. The Five-A-Day Challenge is designed to inspire Challenge is designed to inspire support you to eat five or more serv-ings of fruits and vegetables every day. Not only will you be healthier, you'll have the chance to win some great prizes in the March 2001.come test. You can pick up your contest form at the Rockcastle Health De-nortment.

ARE YOU SICK AND TIRED?

Sick of having family and friends destroyed by drugs, alcohol, abuse, disease and other devastation?

Tired of feeling like there is nothing that can be done?

There is something that we can do. "Again I tell you, if two of you on earth agree about whatever (anything, and everything) they may ask, it will come to pass and be done for them by my Father in heaven. For wherever two or three are gathered (drawn together as my followers) in my name, there I AM in the midst of them." Matthew 18:19-20. AMP

"If my people, which are called by my name, shall humble themselves, and pray, and seek my face, and turn from their wicked ways; then I will hear from heaven, and will forgive their sin, and will heat their land." 2 Chronicles 7:14 KJV
