The Celebration of Dr. Seuss
Dr. Seuss is one of the most famous authors of all time. He wrote books that interested children such as, *Cat in the Hat*, *Green Eggs and Ham*, *How the Grinch Stole Christmas*, and many more remarkable books. The students at Broadhead Elementary took part in celebrating his 77th birthday and reading his popular books.

On Friday, March 16 Broadhead's AmeriCorps member Roma Dee McClure and Mt. Vernon Elementary's AmeriCorps member Angie Gabbard planned activities throughout the day to recognize this great author's contributions to early literacy. The main theme of this year's celebration was based on *Oh! The Places You'll Go!*

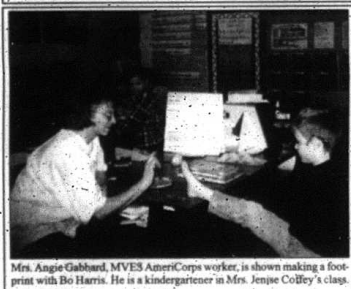

Places You'll Go

The day began with a visit from the "Cat in the Hat" during breakfast while students enjoyed their Green Eggs and Ham. Then, first grade classes had their footprints made on a piece of construction paper to symbolize the "places" they'll go with education. That afternoon several local residents served as Guest readers. Each guest reader shared their favorite Dr. Seuss story.

What a beautiful day! The students and adults who participated really enjoyed this fun filled experience. The AmeriCorps members would like to thank everyone for their cooperation and for making Dr. Seuss' Birthday celebration an outstanding success.

Students learned encyclopedia skills, card catalog usage, how to do Internet searches, and how to take notes. They also learned how to design a title page and how to compile a bibliography. The students were aided in their research by our Library Media Specialist, Mrs. Sharon Lovell.

The students completed a presentation board with a chronology, illustrations, original art work and a biographical report. Parents were invited to visit the Biographical Hall of Fame display set up in our Library Media Center on Friday, March 30. The display will remain open until April 6.
