Food Handler Classes Scheduled Weekly

The Rockcastle County Health Department on a weekly basis provides Food Handler Classes.

The purpose of the classes is to provide food safety training to people who are responsible for handling foods including both the employer and the employee. The class outlines emphasizes the Food Safety Code and food inspections conducted by the local health department. Personal hygiene, equipment sanitation, proper cooking and storage temperatures, and contamination prevention are some of the important topics covered during the class.

All persons managing and working in food service establishments are required to obtain a Food Handler's Card prior to starting work.

Classes are held on the first and third Tuesday of each month at 9:30 a.m. Classes are held the second and fourth Tuesday at 3:00 p.m. All classes are conducted at the environmental office at the Rockcastle County Health Department.

A food handling card expires at the end of three years. Cost is \$3 per person. Any person needing to obtain or renew a Food Handler's Card should call the health department at 256-2242 to pre-register for a class.

Substituted by: Chela Patton, R.S.

Sc. Environmentalist - Rockcastle County Health Department.

Don't Forget!!

Time is Running Out!

The deadline to have completed your Agriculture Water Quality Plans is **October 23, 2001**.

- Do you own or farm ten or more acres of land?
- Have you developed an agriculture water quality plan for this land?
- Do you need help developing your plan?
- Do you have any questions about the Agriculture Water Quality Act?
