"Mhat Suith the Scriptures"

Today we want to look at another example of those who corrupt or adulterate the word of God (2 Cor. 2. 17), with error that is taught. We have a lot of people in the religious world that claim that God has allede with them directly, or has given them a message or revelation. Dearly beloved, such is not so! God has revealed his will to us of what he wants us to know. It is given to us in the Bible, and this message has all hist we need in know. Jesus provinced "Howbert when he, the Spirit of Jurish is crown, he will good by one into all triells; for he shall mid speak of hismself; but whatsoever he shall hear, that shall he speek; and he will know you things to crome." In 16.13. Now did Jesus know what he was talking about? Did the Holy Spirit accomplish what Jesus said he would o? Did the apostles allow the Spirit to guide them? 'Yes to all the above for Paul said "All scripture is given by importation of God, and he perfathle for decrine; for regond, for correction, for instruction in righteousness: That the man of God may be perfect, thoroughly furnished used all society of the Spirit of Spirit here is and the scripture provides for us, the information for ALL good works, not some qr most of the good works. No beloved, don't listen to the religious "holeckers' trying to sell you on some new revelation from God, such is norso!
