In Loving Memories

In Memory of Ishmael Tackett who would have celebrated his birthday on May 11th
When I must leave you
When I must leave you for a little while
Please do not grieve and shed wild tears
And but give sorrow to you through the years
But start out bravely with a gallant smile
And for my sake and in my name
Live on and do all things the same
Feed not your kindness on empty days
But fill each working hour in useful ways
Reach out your hand in comfort and in cheer
And I in turn will comfort you
And hold you near
And never, never be afraid to die
For I am waiting for you in the sky!

In Memory of Eliza Cotton Worfield
For Mother's Day
Mother dear I love you so
But I had to let you go
You are so far, but seem so near
But this I know

Where the trumpet blows you won't be old
You will be standing at the Master's Door
The child of the King
You walk right in
As all heaven lights up in a glow
Your voice will be so sweet and low
And blend in such sweet singing I never heard before
Momma, we are apart now, but all will be united soon
I miss the family prayers we used to have
If you drifted too far from the light
The Lord knows all, he would have brought you back
So many heartaches have passed since you left
So many tears have been shed
As I think back and how I wish I could ask her one more question
Momma, was wrong as I thought, but as time goes by I say
Momma knows best
From your only daughter,
Lora W. Hamilton

U.S. Navy Captain Roger Coldiron

Captain Roger Coldiron will take command in Denmark on May 25th

U.S. Navy Captain Roger Coldiron, son of Carmon and Edson Coldiron, of Mt. Vernon, will take command of Maritime Prepositioning Ship Squadron One in Aarhus, Denmark on May 25th. Captain Coldiron, graduated in March from the Naval War College in Newport, Rhode Island with a Masters Degree in National Security Affairs.

The Navy operates three Maritime Prepositioning Ship Squadrons around the world. They are multi-ship combat ready squadrons on 24 hour alert, which carry everything from ammunition and supplies, everything from M1A1 Tanks to frozen food, to support a Brigade of approximately 11,000 Marines for thirty days of intense combat without resupply or rearming. Five of the six ships carry combat and construction equipment while the sixth is dedicated to munitions. Squadron One operates in the Mediterranean Sea and Eastern Atlantic Ocean with primary responsibility of responding to crises on short notice. The ships deliver equipment and provide support while Marine Corps personnel fly into the crisis area, dramatically shortening response time from several weeks to several days.

The two other squadrons are located in Guam in the Pacific and Diego Garcia in the Indian Ocean. Captain Coldiron enlisted in the Navy in 1971 and served as a Hospital Corpsman in the First and Third Marine Divisions. He was released from active duty in 1975 and graduated from the University of Kentucky in 1978. He was commissioned in the Navy in 1979 at the Officer Candidate School in Newport and has spent most of his sea duty in cruisers and destroyers. Prior to attending the War College, he had command of USS Stump, a Spruance class destroyer homeported in Norfolk, Virginia. Stump was deployed from June through December of 1998 to the Mediterranean and was one of the ships to launch Tomahawks during Operation Desert Strike.

His tour ashore have included Instructor at the Surface Warfare Officers School, Aide to Vice Admiral J.P. Reagon, Commander, Naval Surface Forces Atlantic and Department Chair at the U.S. Naval Academy in Annapolis, Maryland where he taught Ethics, Leadership and ship handling. He has made six six-month deployments to the Mediterranean and Middle East since commissioning and is a veteran of Desert Shield and Desert Storm and of Operations Earnest Will escorting tankers through the Gulf of Oman and Persian Gulf during the war between Iran and Iraq. His personal decorations include five awards of the Meritorious Service Medal, two awards of the Navy Commendation Medal, one of which is for heroism, one award of the Navy Achievement Medal as well as various campaigns and unit awards. Captain Coldiron is not married and has a daughter, Katharine, who will be a junior at Mount Holyoke College in Springfield, Massachusetts in the fall semester. He is also a former employee of the Signal.

"What Saith the Scriptures"

Today we want to look at another example of those who corrupt or adulterate the word of God (2 Cor 2:17), with error that is taught.

We have folks who seek to peddle the notion that you can sprinkle or have a little water poured on you, call that baptism, and that God will accept such a practice. No beloved, we must respect God enough to obey what he says if we are going to be pleasing unto him. "Not every one that saith unto me, Lord, Lord, shall enter into the kingdom of heaven; but he that doeth the will of my Father which is in heaven." Matt 7:21. God's will is clearly set forth of how folks are to be baptized. In Rom 6:4 we read: "Therefore we are buried with him by baptism into death: that like as Christ was raised up from the dead by the glory of the Father, even so we also should walk in newness of life." We all know how we bury our loved ones, the casket is laid on the ground at the cemetery and we sprinkle a little dirt and go home. Right? Or do we pour a cup of dirt on the casket and go home? No, they are put down into the ground and they are completely covered up. This is how we are to baptize people, bury them in water, completely covered up in the water, an immersion. No beloved, don't listen to the religious "hucksters" trying to tell you with the idea that sprinkling and pouring are acceptable forms of baptism, such is not so!
