Briarfield Cemetery

The Old Briarfield Cemetery at Orlando belongs to the Robinsons here. We all agreed for the markers and headstones to be taken up that has no one buried there. We want the holes filled up with dirt when you take them up. This is just not right for this to happen. It has always been first come first serve. The cemetery will always be for loved ones to be buried there. We want the cemetery here it has always been all these years. You have until April 30, 2001 to take the markers up that takes up empty spaces.

From the Family of

Laura Mae Hawley's

We wish to express to our gratitude for your expressions of love and support during our hour of need.

She was a very special woman, loved by many and respected by all. Let us all take a moment to reflect upon her life and how she lived it. She was the kind of person whom we should all pattern our own lives after...never others in their time of need. She was truly a Child of God, moreover, a gift from God. She spent her days studying The Word of the Lord and sharing her own insight on the Bible. If there were ever a true teacher of the Word, it was our mother. If there were ever a true definition of motherhood, it could be found in Laura Hensley. She did her level best to be the epitome of wife, mother, teacher. Her intuition and her understanding of Christianity, touched anyone that met her.

We feel it a privilege to love and to have been loved by such a wonderful woman. Thank you, Mom, for all you've done for us, for our values, for our hard-earned lessons on morality, for all you have given us, for all the unconditional love you have shown. Thank you for giving us the gift of life and all the good things that go with living. We owe everything to you.

To all our friends, relatives and neighbors: we wish to thank you for your show of support. Thank you for the gifts of food, the flowers and for just being there when we needed you. You are all held in high regard and are always in our prayers.

Thank you to Bro. Allen Hensley, Bro. Jasper Carpenter as well as the staff of Dowell and Martin Funeral Home for the deep respect and dignity shown Mom at the service. You are all true professionals, not to mention true friends.

To little Tommy, thank you. You can't yet understand how much your gesture means to us. Mom's Special thanks must go out to Dr. Karen Saylor and the staff of Sowder's Nursing Home. Particularly Rose, Gina, Janet, Debbie, Jennifer, Wendy, Worth Ann and all the rest who gave care and comfort to our mother during her illness. We thank you all.
