LEADING THE WAY...

Soon, you can call Linda Gregory doctor, but she won't be an M.D. Linda is taking advantage of Rockcastle Hospital and Respiratory Care Center's tuition assistance program to earn a Ph.D. in rehabilitation sciences at the University of Kentucky.

- As the hospital's director of Speech Therapy, Linda understands that her ability to learn and practice the latest therapies require her to continuously update her skills.
- Education is so important to the hospital's future that it not only assists employees like Linda, but it also offers

"I believe learning is an on-going process."
— Linda Gregory

... in employment.

tuition assistance to community members who want to attend medical school and will agree to practice at RHRCC after graduation.
