In Loving Memories

In Memory of Eli Barnett
who passed away July 2, 1984
We will never forget the day
the Angels came and took you away.
Even though it was time to depart
Here on this earth, you still live in our hearts.

You didn't have time to say goodbye
You were gone before we knew, and
only God knows why.
One heart of gold stopped beating
Two loving eyes at rest
God broke our hearts to prove
He only takes the best.
To some you are forgotten
To others a memory past

For those who loved you best
In our hearts and minds you forever last.
Loved and missed by your family,
wife, Irene Barnett; daughters,
Louise Phillips and Joyce Renfro;
grandchildren, Tena Mullins,
Sonya Robinson, Kevin Renfro and
Steven Renfro.
Papaw, since God called you
home, He blessed us with five new
great grandsons! You would have
loved them so!
Joshua Eli Mullins, Jordan Frank

Hayden Blake Renfro and Keaton
Lane Renfro.

In Loving Memory of
Eugene Wynn
July 6, 1996
My dear sweetheart thoughts of you,
through my mind was going round
and round.
Reminding me of your sweet smile,
Helping me through my ups and
downs.
You was sent to me from God above,
Reminding me that I was loved.
Our time together on earth was not
long enough.
But I'm longing to be joined with you
above.
Memories of you are all around me,
Strong like a big oak tree.
You're gone now and left me behind,
But I'll see you again in God's time.
If you're looking down from above,
Remember me I'm the one you loved.
Missing you with every beat of my
heart.
Cause from this world you did de-
part.
Missed more and more each day.

LEADING THE WAY...

Lee Keene is on a mission. As president and CEO of Rockcastle Hospital and Respiratory Care Center, Inc., he gets involved in projects to make this community better.

One example is the new telecommunications center. His next venture is overseeing the hospital's \$2 million expansion and renovation project. When completed, our community will have a larger, more private and more efficient Emergency

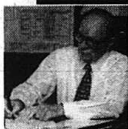

Department, X-ray

Department and Lab. • With more than

350 people on staff and an annual payroll of about \$12 million, RHRCC

is the county's largest private employer.

Because of the expansion project, more jobs will be created, more taxes will be paid and more money will stay in Rockcastle County.

"Good healthcare here at home along
with a strong tax base for the county is
the best of both worlds."

— Lee Keene, President and CEO
