LOCAL NEWS

DEATH: Mrs. P. P. Singleton died Tuesday after an illness of many months of that awful malady consumption. Mrs. Singleton was a daughter of the late Crab Bryant and a sister of Mrs. S. B. Ramsey. The burial took place Wednesday at the Cove burying ground. - Miss Sallie Baker, aged 16, daughter of Mr. and Mrs. Andy Baker of Plato in Pulaski County died Monday. The remains were laid to rest in the Baker burying ground Tuesday. - John Robins, Secretary of the Rockcastle County Fair Association was in to see us yesterday and left an order for this year's stationery for the association. Mr. Robins says he intends to have out his catalogues much earlier this year, than has been the custom to get them out heretofore. Besides this, many important changes will be made in the general get up of the catalogue. This is Mr. Robins second year as Secretary and the success of last years exhibition speaks of the fitness of Mr. Robins for the place. The dates of the fair for 1908 are Aug. 18, 19 and 20. The Fiscal Court met here Tuesday and let a contract to the Champion Bridge Company of Wilmington, Ohio for a steel bridge across Roundstone creek at Orlando. The cost of the bridge complete outside the abutments, which the citizens have agreed to build, is \$2500.00 which amount the county pays. The contracts have been signed and the bridge is a sure go, with one single exception and that is, that the citizens of Orlando and the Eastern part of the county fulfill their part of the

obligation. It is something that is badly needed and the very thing the SIGNAL has been fighting to get for years and we certainly hope that nothing will be allowed to come in the way, which will in the least hinder the progress of this much needed improvement. During the last two or three weeks the necessity of a bridge at Orlando, has been fully realized, as many men, who had important business here or other matters in court which needed their attention, were unable to get here, because of the high water. Three cheers for the bridge across Roundstone. - Telephone lines from Brodhead to Hatt will be ready for business today. One 'fone will be placed at Hatt's store and one at Bogue Smith's.
