In Loving Memory

"In Memory of My Mom"

Maud Hammock

on your birthday, September 13

We do not need a special day to

bring you to our minds.

The days we do not think of you

are very hard to find:

Each morning when we awake we

know that you are gone.

And no one knows the heartache as

we try to carry on.

Our hearts still ache with sadness

and tears still flow.

What it meant to lose you, no one

will ever know:

Our thoughts are always with you

your place no one can fill

In life we loved you dearly: in

death we love you still.

There will always be a heartache

and so many tears;

But always a precious memory of

the days when you were here:

If heartaches could make a lane and

tears would make a staircase

We would walk the path to Heaven

and bring you home again:

Our family chain is broken and
nothing seems the same.

But as God calls us one by one the

chain will link again.

We love you!

Your daughter, Pam and grandsons,

Jimmy, Daryl & Chad Shafer

Maud Hammock
