Phase II Update

Phase II applications were to have been completed and returned to the Tobacco Trust Settlement on September 15, 2001. The FSA office has received the 2001 Phase II Payment Register and producers should have received their letters of certification for payment.

Producers who wish to dispute or amend their applications should do so by (October 15, 2001) completing

the Disputed or Amended application for the 2000 crop year. These forms are available at the local FSA office.

Warehouse Designation

Legislation now requires all farms with an effective quota greater than zero to file a designation of pounds to store or dealer with which they intend to market tobacco by filing a form FSA 808.

The current designation period began October 1st and will end October 5, 2001.

Producers who have not designated or those who designated and wish to change their designation are reminded to do so by October 5th. If you miss this designation period you must wait until the next designation period which begins on October 29th.

County Committee Election Coming Soon

The FSA office would like to announce the deadline for accepting COC nominations for the upcoming election will be on October 29, 2001. The nomination form signed by the nominee is needed to nominate a farmer-candidate. The form includes a statement that the candidate agrees to serve if elected.

Committee members are a critical component of the day-to-day operations of FSA. They help run FSA farm programs at the local level. Farmers serving on the committees help decide the kind of programs the county will have and how they will run helping to make FSA agricultural programs fit the needs of local producers.

The election will be held November 21 through December 3, 2001.

Spousal Power of Attorney

Spouses may sign on behalf of each other for Farm Service Agency and Commodity Credit Corporation programs in which either has an interest, unless written denial is on file in the FSA office.

Farm Changes

Producers who have purchased or sold land need to contact the local FSA office for proper reconstitution

of farms. Remember to bring your deed and/or to notify the new owner

In Loving Memories

In Memory of Henry Bullock

A Tribute to a Son

By Chuck Martin

His mother holds him to her chest and

sees to all his needs

His father taught him very young to do good works and deeds

His parents tell him all about the world he's living in

He comes to know that God is real, and puts his trust in Him

He serves his country when he's called to do his work and then

He comes back home to spend his life with family and friends

His life is filled with ups and downs just like many others

But also packed with love and prayers from sisters and his brothers

Late one night he's called away his

father now he sees, and leaves all those who loved him most by a sudden tragedy

His mother's heart is crushed by all the pain and all the sorrow

But now she knows he's in God's hands with the hope of a bright tomorrow.

to do so. Also notify this office of any and/or all address changes.

The Rockcastle County Health Center will begin giving Flu Shots on October 9th. Due to the fact we did not get our full supply of vaccine we will only be able to give them to persons 65 years of age and older or persons with chronic illnesses. As we see how our supply lasts we may be able to open this up to younger people.

The shots will only be given on Tuesdays, Wednesdays and Thursdays from 8:30 to 3:30, and will not require an appointment as long as we have sufficient staff to give the shots. Expect longer waiting times. Medicare Part B and Medicaid will pay for the shots. All others the cost will be \$6.00.
