11:00 a.m. for all Amencan Veter-ans.
Freedom as we know it today could not have been possible if it weren't for the brave men and women who flearlessty and unselfishly dedicated their life to serve our country.

Many will not be present at this special service. Many never made it back home, but they will always live on in our memory. For all those Vet-enas who are still with us, the Cross-roads Assembly of God Church would like to express our heartfelt appreciation for their service to our country by honoring them on this special day. All Veterans are invited to attend the service and an honorary dinner will be served after the service.

"Before the September 11th attacks, I think a lot of our younger generation did not realize just how blessed we Americans are, 'said one member, 'but now I think they have an idea of the cost of Freedom."

The Crossroads Assembly of God Church members would like to extend an invitation to anyone who lost their loved ones during this service to our country as well as any family members of the Veterians who will be attending. A presentation of the flags, personal testimonies and special singing will certainly make this day a day to remember.
