

Modern Gun Deer Season

The most anticipated season in the fall for many Kentuckians is not football or our beloved basketball. It is the modern gun deer season.

In Zones 1 and 2, the season will run from November 10 through November 25, 2001. In these zones, a hunter may take either sex deer from November 10 to November 19, 2001, and antlerless deer only from November 20 to November 25, 2001. In Zones 3 and 4, the modern gun deer season is November 10 through November 19, 2001. In Zone 3, hunters may take either sex deer from November 10 to November 14, 2001 and antlerless deer only from November 15 to November 19, 2001. In Zone 4,

hunters may take antlered deer only from November 10 through November 19, 2001.

During the modern gun season, the tag marked "antlered/antlerless" in the statewide permit may be used for either sex deer, but it is the only tag that may be used on antlered deer.

The deer season limit on antlered deer is one per hunter. In Zone 1 counties, a hunter may take an unlimited number of antlerless deer with the purchase of the appropriate Zone 1 antlerless deer tags (two tags for \$12.50) during modern gun season. Zone 1 counties are the only counties where more than two antlerless deer can be taken with a modern firearm. In Zone 2 and Zone 3 counties, two deer may be taken during modern gun season, but only one of those deer can be antlered. In Zone 4 counties, a modern gun hunter may take one antlered deer.

All deer taken during deer season must be tagged and checked in through the Telecheck phone system at 1-877-245-4263. All hunters who hunt when and where firearms are permitted for deer hunting MUST wear unbroken blaze orange color on the head, chest and back at all times while in the field.

"Baskets"

Volunteers will help prepare and distribute these baskets to families referred by local churches and social service agencies.

To accomplish this project, it is estimated that we will need at least 200 baskets. We are hoping individuals, families, businesses, classes, schools and churches will sponsor baskets with at least a \$25.00 contribution.

In order for us to know how many families we will be able to serve, we ask that you commit to participating in the basket collection before November 30th. We will coordinate this distribution with other agencies in the community to avoid duplication of service.

These are some of the can goods we need: cake or brownie mix, cream soups, cranberry sauce, dry dressing mix, gravy mix, fresh fruits, onions, vegetables, cornbread mix, evaporated milk or dry milk, cans of fruit, Jell-O, marshmallows. If you can give any of these items please call (606) 453-9800 and we will pick them up.

Jeret attempted to take money from the register and struck the clerk several times with a metal rod. The clerk was able to push the panic button and the male subject fled the station with a small amount of merchandise leaving in a black SUV, south on US25 towards Livingston.

After Officer Aaron Mathews from the Mt. Vernon City Police arrived Trooper McCowan began to search for the suspect and located Jeremy Holt, 27, of Mt. Vernon near a residence on McClure Street in

Livingston. Jeremy Holt was placed under arrest and lodged in the Rockcastle County Jail charged with Robbery 1st, Assault 1st, Terroristic Threatening and Promoting Contraband in a Correctional Facility. The clerk received minor injuries but did not require medical treatment.

"Lair"
