LOCAL NEWS
Let us have streightlights. - Mr. S. F. Bowman and Miss Maggie Hanesel will teach the public school at this place this year. - The Brown Memorial school closed last Thursday night with a splendid musical program. - "The Merry Widow" play will be given at Broadhead next Wednesday evening. - Mr. H. H. Beatty has bought the residence of G. T. Johnson on main Street, known as the M. C. Williams residence. Price paid \$1250. - The L & N will sell tickets to Louisville June 13 to 17, limited to June 26th at \$4.12 round trip account of the International Saturday School

Convention. - In our next issue will appear the program of children's day to be held at Mareburg June 21. It is a splendid program. We can assure all who attend a pleasant and enjoyable day. - Among those receiving honors in proficiency, deportment, etc. of the Versalles public school,

there appears in the Eighth grade the name of Miss Hattie Este, who is well known to most of Mt Vernon people. - Jack Adams has started a feed and livery stable in the J. T. Adams barn. He will also handle ice having received a carload Tuesday, which he will deliver every morning to any home in the corporate limits of the town. Jack is certainly a hustler and it is worth much to the town to have such progressive young men as he, in it. - We want to suggest that our town board of trustees follow the example of our neighboring town, Broadhead, and put in some streightlights, which can be done, at a nominal cost. The lights referred to, are made by the Incandescent Light & Stove Company of Cincinnati. Each light is 1500 candlepower and the cost of installing is about \$50 for each light. We certainly need them, and we hope that our board of trustees, who have thus far proven themselves equal to every emergency will take the matter up at once and if consistent take favorable action. - The hop at the Miller Hotel last Friday night was largely attended and thoroughly enjoyed by those present. - Marriage license was issued this week to Mr. William Hilton and Miss Rethia Hilton, both of the Copper Creek section. - The four-year-old son of Mr. and Mrs. Luther Mullins died at their home in Corbin Monday after an illness of two weeks of brain fever and spinal meningitis. The remains were laid to rest in the Corbin cemetery. - A rather small crowd was in town yesterday to witness the performance of the M. L. Clark shows. Time is worth too much to the farmers to lose a moment that is not necessary. The exhibition was of a very considerable one and those who attended felt that they got value received.

M. Bowling has returned from ten days vacation. G. D. Cook had the misfortune of losing a fine cow Sunday morning. - Mrs. W. M. Preston's mother and sister, who have been visiting here for two weeks, returned to Boston, Ky. Tuesday. - We are informed that Dr. W. J. Childress who has been in Chicago, for some 4 or 5 weeks attending medical lectures, will return home Friday night. A few days after the doctor departed upon this trip his oldest child, Verna Brown Childress fell from a swing breaking one of his arms. We did not make any mention of the accident in our letter knowing as we did the wide circulation of the Mt Vernon Signal, we knew the doctor would learn of the accident and it would greatly mar the pleasure of his trip, consequently we left it out. - W. H. Sparks and son, Fred, formerly of this place, but now of Louisville, spent Thursday shaking hands with their many friends here. - Train Master W. O. Chambers, of Paris, and W. O. Dilly, of Lebanon Junction, were in town first of the week. - Mrs. Sue Mullins has added considerable improvements to her hotel and restaurant. She has just completed re-plastering her hotel and has given all the fences and out buildings a fresh coat of white wash which makes the entire surroundings look cheerful and inviting. - Mrs. George Howell has taken charge of the hotel again. - Mrs. Mullins left for Louisville Wednesday where she will purchase some new furniture for the hotel. - Miss Bettie Pennington has returned home after a very pleasant visit to relatives and friends at Berea. - Hope Parks and W. B. Wright were in town Wednesday. - There will be two circuses in our little town, one Friday the 12 and one Monday the

15. There will also be a ballgame to be pulled off between Mt Vernon and Livingston on Monday. Our boys beat them on their own (Mt Vernon's) grounds Saturday week, and of course we expect to do the same thing here Monday. - Mrs. Bowers, of Parksville, who has been visiting the family of her son, Howard Bowers returned to her home Thursday.

Under these circumstances if you don't have a good time you are sick and bad sick too. - Rals Wilmitt, of Lebanon Junction, was at home for a few days this week. - Last Wednesday was Uncle John Sigmon's birthday, he being 64.
