Ms. Irene's AM Class

Mt. Vernon Message

Our annual Book Fair will be held December 3-7. Look for book forms to be sent home. Students will be purchasing books during their gym class.

Mrs. Irene's entry level class had a wonderful time last week learning about and celebrating Thanksgiving. As part of their study, the students dressed up as pilgrims and sang songs for the office staff and some classrooms.

Project Wisdom narrators for last week included: Lyndsey Reynolds, student; Judy Hammond, instructional assistant; Becky Cash, Youth Service Center Rockcastle County Middle School. Thank you for taking

time to be a part of our school. The quote for this week is: "Love is the glue that holds the universe together." Last week's art prizewinner was Raw Cowan from Mrs. McQueary's class. Congratulations Rae!

LEADING THE WAY...

Brenda Mullins likes a clean house. As a matter of fact, she helps keep Rockcastle Hospital and Respiratory Care Center as clean as if it were her own home. And, in a way, it is. Brenda has been a part of the RHRCC team for 29 years.

She and her staff are part of the reason for the hospital's home-like atmosphere. Their sense of teamwork and pride in a job well done are just some of the reasons they enjoy their work. As for benefits, Brenda says the hospital offers many, including being close to home.

"I like working in Environmental Services because I can see what I've accomplished every day."
