

Fairview News

By Mrs. Hubert Chaiten

Hello to everyone.

I haven't written for some time, but it has been a busy time for a while. But now Thanksgiving, Christmas and New Year is gone and we've had our first good sized snow, so now we can settle down and look forward to spring. But of course, we will probably see a lot of cold weather and snow before spring arrives. But each day is a blessing from God, so we should thank Him for our life and that we are as well as we are.

Several church services were cancelled December 30 and January 6 due to bad weather. Sunday School attendance was low both Sundays, but back up to 119 this past Sunday.

at Fairview.

We have several sick folks in our community and ask all our good friends to remember them in your prayers. And also we send sympathy and love to those who have lost loved ones recently.

Also pray for our military men and women who are in great danger at this time.

So take care of yourselves and love and respect each other. Go to church every time that you can and pray much. We all need the prayers of our deeply beloved friends.

So until next time May God bless you is my prayer.
