**Public Notification Requirement Monitoring Violations**  
The Western Rockcastle Water Association hereby gives notice that, during the time period of Dec. 2001, the water system failed to comply with certain monitoring as required by 401 KAR 8:010 through 8:700 inclusive.

The specific violations for the time period are:  
FAILURE TO SUBMIT adequate number of bacteriological samples.

Any potential adverse health effects to any segments of the population could not be determined due to failure to comply with the monitoring requirements.

In most cases, monitoring violations do not require the public to seek alternative water supplies or take preventive measures. If alternative water supplies or preventive measures are needed, the public shall be notified immediately.

The Western Rockcastle Water Association will take the necessary action to reduce or eliminate monitoring violations. For more information, contact Charles D. Burton (606) 256-8283 at Western Rockcastle Water Association.
