Homemade Household Cleaners

By: Hazel Jackson
County Extension Agent for
Family and Consumer Sciences

Following are some "recipes" for household cleaners you may want to try.

- Toilet Bowl Cleaner:**
*Clean with borax and lemon juice.
*Pour 1/2 cup liquid chlorine bleach into toilet bowl. Let stand for at least 30 minutes, then scrub with a long-handled brush and flush. Remember, NEVER mix ammonia and bleach.
*Salt and water.
- Window and Mirror Cleaners:**
*Remove surface soil with paper towel or soft cloth. Apply cleaning liquid with a sponge. Rub dry and polish with a newspaper or cloth.
*On windows, rub the inside in one direction and the outside in another

- to determine which side the streaks are on.
*Add 2 tablespoons of vinegar to 1 quart water. Apply with a wadded-up newspaper.
*Mix 3 tablespoons of ammonia, 1 tablespoon white vinegar and 3/4 cup water in a clean spray bottle.
*Mix 1/4 cup cornstarch, 1/2 cup ammonia and 1 cup vinegar in a jar. Wear gloves, if necessary, because vinegar is a mild acid. It will remove rust or lime deposits on the outside of the windows.

Dear Editor,

My heart was grieved when going home from church Sunday afternoon. My family and I had went out to eat and was enjoying the ride home. The sun was out and the beauty of spring was in the air. The time of the year when everything is

waking up from its long winters sleep. When the sunny day was interrupted by a dark cloud called vandalism. When God was painting such a beautiful picture, man had to come along and stamp ugliness upon it. I am so glad that I can look through God's eyes of grace, and not judge a man for his past, but see him for what he is now, and what he is going to be. After seeing what someone has done to one of the signs of candidate Gary Linville for Sheriff. It makes me really realize it's Time for a Change. It's time to come out of our holes and say enough is enough.

God Sees All Things,
Gail Linville
