The rumor is going around that I have withdrawn from the Sheriff's

race in Rockcastle County. THIS IS NOT TRUE! I have never quit mything in my life that I believed in or started and I don't intend to tart now. I am even more determined than I was to win the election or Sheriff of Rockcastle County.

This county needs a sheriff who is not afraid to do the job he is elected for and deputies who are not afraid to get out in the county and patrol county needs. This county needs officers who will work all year, not just three months before election time.

If elected as your Sheriff, I will devote my time to making our county de to live in. The deputies I hire will work all over the county and in areas known as trouble areas

where I may assign them.

Stopping the flow of drugs in our county will be my #1 PRIORITY, whether it be the big man or the little.

If you have any questions, call me and I will explain my thoughts to you. Please give me a chance to help Rockcastle County.
