TIME FOR A CHANGE

VOTE
Gary V. Linville
Rockcastle Co. Sheriff
May 28, 2002 (Lever 8)

By the people and for the people (Line #16) on the Ballot
TO PROTECT AND SERVE

There are many grave dangers our county faces today and now more than ever WE NEED LEADERSHIP a Sheriff with a vision to move forward ready and willing to face the many real dangers and challenges that are in our county.

I have the vision to bring real and lasting change to the Rockcastle Co. Sheriff's Dept. When you elect me as your new Sheriff May 28, 2002, I will begin immediately to set in motion preparation to take the responsibility of this office January, 2003, with several qualified and trained deputies who will patrol, protect and serve the people of our county.

After spending several weeks' now from one end of our county to the other, listening to what the people have to say, I still keep hearing it over and over IT'S TIME FOR A CHANGE. Hundreds of good people in our county live in fear, afraid to leave their homes not only at night, but even in the daytime hours.

One of my answers for this after I take office January, 2003 will be to create a COUNTYWIDE CRIME WATCH, people helping people and working together with their Sheriff's Dept. to make Rockcastle County a safer place to live.

Also as the budget permits we will hire and have trained more deputies to patrol our county roads to protect and serve the people in our county. We will continue to listen to what you have to say and WE WILL RESPOND WHEN YOU CALL.

Another real concern in our county is drugs and the crime wave that's sweeping our city and county, most everyone agrees something must be done. One of my answers for this would be the new Sheriff's Dept. will create a drug prevention program (D.A.R.E.) that will reach into the elementary, middle and high school. A program that will not only inform, enlighten, and educate our youth, but also the parents in Rockcastle Co. of the dangers of drugs.

We need to also reach outside law-enforcement and get more churches involved, more Pastor, youth leaders and support groups to reach out to the overwhelming number of our youth and families who's lives have been directly affected by drugs.

With God's help and your vote and support together we can make a difference in the lives of many.

As we have already stated we will work hand in hand with all other law enforcement offices both locally and surrounding counties, who uphold the law of our commonwealth.

Time is running out and May 28 will soon be here. EVERY VOTE COUNTS! Please don't waste yours. If you're really ready for a change vote Gary V. Linville for Sheriff.

As always, special thanks to all of our many supporters both city and county who are seeking for change. God bless you and God bless America.

UNITED WE STAND!
