

Corey Craig, top picture, Chairman of the Task Force for Clean-up and Beautification is shown giving Certificates of Commendations to Builders Club Members - Brandon Dykes, Justin Lear, Curtis Burton and leader Ken Mattingly for the outstanding contribution in making Rockcastle County a more attractive community by weeding and mulching around all the trees on Main Street in Mt. Vernon. Working together to make a better community is what it is all about.

Task force working to clean the Rock

The Rockcastle County Economic Development Task Force for Clean-up and Beautification would like to commend the members of the Builders Club at Rockcastle Middle School for the great job in weeding and mulching around the trees on Main Street in Mt. Vernon last week. The Builders Club members along with their leader, Ken Mattingly, is making a challenge to all clubs and individuals in the county to step forward and make a difference in our community.

The county task force for clean-up and beautification will be getting

in touch with all the clubs, churches, fire departments, etc. in the weeks and months to come and would welcome all community minded individuals to join in this very worthwhile project. If it bothers you that your streets and areas are littered and overgrown with weeds and trash, now is the time to join the effort to do something about it.

Saturday, May 4th has been designated the first clean-up day to kick off this important beautification and clean-up campaign. All Rockcastle citizens are asked to begin surveying your streets and to get together

with your neighbors to tackle this problem and make a real difference in your area. It's past time to stop looking the other way.

The task force would be very interested to know of your ideas or successes you have had in this effort. Please feel free to contact any member.

Rockcastle Kiwanis Club recently inducted four new members into the club. From left are: new member Randall Templeton, Kiwanis Club president Corey Craig, new member Dr. Margina Osborne, sponsor Martha Cox, new member Bro. David Campbell, new member Sandy Bullock and sponsor Gertha Mink.

Hike for Hospice

On Saturday, April 20th, nearly 100 people joined Hospice at Indian Fort Theater in Berea for the first annual Hike for Hospice. Those who participated, enjoyed live musical entertainment, children's activities, a lunch and free T-shirts. The hikers raised nearly \$4,000, all of which will go to help support Hospice's work with patients and families in their six-county service area.

Several hikers were awarded prizes, including Sarah Ferrel of Richmond, the individual who raised the most money. Habitat for Humanity was awarded a prize for the team who brought the most walkers and Sarah Ferrel's team won the first prize award for the team that raised the most money. St. Paul's AME Church youth group won second place in the same category. In addition, a lucky hiker won a package donated by Brunner Studio in Berea as a door prize.

For a first-time event, it was a great success," according to Brenna Walhausser, Community Outreach Coordinator with Hospice. "I think people were drawn to participate because of the beautiful setting, the family-friendly fun, and the fact that it's all for a great cause."

Hospice's next project is a night of music and antiques at White Hall on July 20th. The event, called "A Night to Remember: Music, Magic and Memories," will feature live jazz, dinner and an antiques auction. All of Hospice's special events raise funds to help provide care and services to those with a terminal illness, and their families, regardless of ability to pay. Hospice serves Estill, Jackson, Lee, Madison, Owsley and Rockcastle counties.

If you haven't been down in the Spout Springs area lately then you have not seen the great job Gary Repper, Fleet manager at RTEC, and garage employees have done with the landscaping around the springs. Colorful creeping Phloxes, mulch and weed eating have added to the beauty of the old historical area. Corey Craig, chairman of the Task Force for Clean up and Beautification is shown presenting Gary with a Certification of Commendation for his part in recognizing the need and then doing something about it.

Members of the Clean-up and Beautification Task Force are front row from left: Martha Cox, Corey Craig and Connie Graham. Back row from left: Buzz Carlolis, Ed McHargue, Kathy McGauley, Dell Ponder and Sandy Bullock. Now shown were Jeffery Burdette and John Holbrook. The group would welcome anyone to join in their efforts.

"What Saith the Scriptures"

We have many in the religious world that teach that we inherit the sin of Adam. Is this doctrine true? No beloved, we do not inherit sin, consider Ezekiel 18:20 "The soul that sinneth, it shall die. The son shall not bear the iniquity of the father, neither shall the father bear the iniquity of the son: the righteousness of the righteous shall be upon him, and the wickedness of the wicked shall be upon him." This text plainly denies the doctrine of inherited sin! And, what shall we say about Jesus being born of a woman, born into tabernacle of flesh, did he inherit the sin of Adam? What about babies that are supposedly "born sinners" do they need to be saved from sin? What happens to them if they should die in their infancy, will these "totally depraved sinners" be lost in their sin which they are supposed to inherit? You can see that this erroneous doctrine of "inherited sin" creates all kinds of problems with the scriptures, and which has also led to all sorts of other erroneous doctrines, to prop it up. Be not deceived by the doctrines and commandments of men. Col 2:8, Matt 15:9.
