Burley Tobacco Leasing

Producers may lease burley tobacco quota effective immediately through July 1st. Producers may list quota for lease on the bulletin board space by way of contacting the county office either in person or by telephone.

Tobacco Spot Checks

Producers who have reported unmarketed tobacco stored on the farms are subject for random spot checks. Spot checks are performed by local FSA personnel to verify the amount of tobacco reported. These spot checks will be carried out in the next few months. If you have moved tobacco from where you first reported the storage, please contact FSA to report the new location.

Loan Deficiency Payment ((LDP)

Producers who retain beneficial interest in a commodity eligible for a loan or a loan deficiency payment are eligible for payment if all of the following remain with the producer: control of the commodity, risk of loss, title of the commodity, crops must have been produced on contract acreage (AMTA).

FSA realizes that many farmers may begin feeding, thus; the loss of beneficial interest occurs. Anyone who has lost title, risk and control of the crop, is NOT eligible for benefits.

Final loan and LDP availability dates for the 2001 crop are: Corn, Grain, Sorghum and Soybeans - May 31, 2002.

Wheat Reporting

Small grains (wheat) crop reporting can now be completed at the FSA office after they are planted. Wheat crop reporting must be on file by May 31, 2002. All other crop reporting must be on file by July 15, 2002.

FY 2002 PFC Reminder

Producers who wish to receive their 2002 PFC (Production Flexibility Contract) payments early must sign a form for what month you wish to receive your 2002 payment. The deadline to sign or revise a PFC for FY 2002 is August 1, 2002.

Producers are encouraged not to request a payment for the farm if they are considering selling a portion or the entire farm as payment received must be refunded. Changes in your farming operation must be reported timely in order to reflect PFC payments to the current crop year producer.

All changes reflected on the CCC-478, Application for PFC Payment, must be signed by August 1, 2002.

For additional information on the PFC program contact the FSA office.

Farm Changes

Producers who have purchased or sold land should inform the FSA office of the change. A copy of the deed or land contract sales is required to update FSA records with correct ownership. Farms involving corn and/or wheat must be properly constituted by June 1, 2002, with farms involving burley tobacco being constituted by July 1, 2002.
