

Lora Beth Payne receives the Curtis S. Brown Award from Cumberland.

Payne honored at Cumberland

Cumberland College honored several outstanding students Monday, April 29th, during the Honors Day convocation service. Honors Day, held annually in the O. Wayne Rollins Center on the Cumberland College campus, recognizes students who have excelled academically throughout the school year.

Lora Beth Payne, daughter of Dennis and Faith Payne of Mt. Vernon, was presented the department of communication and theatre arts Curtis S. Brown Award. This award is given to the outstanding senior in communication arts.

Curtis S. Brown attended Cumberland College from 1994-1998. He was an active member of the Individual Events team, the Debate Team and the Cumberland Col-

lege Theatre. He was also a talented writer and musician. Curtis graduated from Cumberland in 1998 and was chosen as the outstanding senior in communication arts that year. In the spring of 1999, he was working on his master's degree in communication arts at Wichita State University when he passed away suddenly. This award is dedicated to the life and good works of Curtis Brown.

Payne is a communication arts and social work double major. She is active in the Cumberland College theatre, a member of CC Singers and Reflections, a Mountain Outreach Volunteer, served as Knight Mentor,

and is secretary for the Social Work Club. Payne presented an original paper at Blue Ridge Undergraduate Research Conference in April 2002. She plans to attend graduate school and/or work in the communications field.

James Hensley, age 11, son of Lige and Frances Hensley, killed a 22 lb. 7 oz. turkey on April 25th. It had a 10 1/2 inch beard. This was his first hunt. Good job.

Her Name is Ms. Mayme

I would like to tell you a little bit about Ms. Mayme Gregory. In these fast times, where a person does not know or care who their neighbor is, it is nice to be around a person that slows the time.

Mayme is truly a 21st century GOOD SAMARITAN. She is a dedicated Christian lady. Cooking to Ms. Mayme is not a chore, because for years she worked at Food Service for Berea College. So whether it is one or 100, it is all the same to her. When she hears of someone in her church family or neighbor that is sick, the next thing you know Mayme is coming through the door with a cake or a complete meal. She does this so the person won't have to cook. Someone sick and no one to sit with them Mayme will. On the telephone you'll hear, "Now Sugar, just call me day or night, if you need anything and I'll do what I can." She truly is that kind of a person. As I look around, I know the Good Lord broke his mold when he made Mayme.

Many people go through life and as they lay in the casket, you can hear the words, "They were such a good person." *Hey it is too late then.* Those words need to be spoken to the living. So, Mayme from my family and me, *Thank you for what you have done for us and you are very special.*

When your life ends and in heaven your crown you receive. There will be many, many jewels in it for the unselfish deeds you have performed on this earth. We love you and hope you have many, many more happy years with your precious husband, Gillis of 48 years.

Darrell Doan for Sheriff

Qualified
to serve
the people
of
Rockcastle
County

"A Servant of the People"

To the Voters of Rockcastle County,

Subject to the Republican Primary May 28, 2002

I want to thank the citizens of Rockcastle Co. for the great encouragement you have shown me from the borders of Pulaski Co. to the borders of Lincoln Co. from the borders of Garrard Co. to the borders of Madison Co. and from the borders of Jackson Co. to the borders of Laurel Co.

All over the county you have shown great support and my family and I have been touched deeply and we appreciate this from the bottom of our hearts.

I have only discussed the issues in my campaign and promised to meet the duties of the office of Sheriff respectfully and friendly. I believe that when a person becomes a public servant he should always be respectful, courteous, and friendly to the citizens of the county he is serving in.

I was born in Rockcastle Co. and lived here all my life. I love this county and I have no malice against any citizens in this county, again let me wage all candidates to refrain from political slander, stick to the issues and let the good citizens make the decision.

Your support is certainly appreciated.
