Happy Birthday Lillie Belle Saylor

By Anthony Heath Saylor
To the woman who has been in my life for 25 years. This lady was born in 1909. I lived with my parents in Johnson City, Tennessee. In the summer I would come up for summer vacation to spend time with her. This lady is the first to take me pond fishing on the farm on the ridge. She would tell me the fishing stories of her early years. Just think of the things she has seen in 93 years! She has seen everything, from walking for means of transportation to cars, trucks and even airplanes. This lady had a big influence in my life and taught me many lessons. I thank God everyday just being able to tell her I love you and her response is always the same.

This lady has seen till she can't see no more. She has worked years on a farm to raise her kids. She always worries about everyone, that they won't work hard and shorten their life. The worst thing that hurts me today is to see her gasp and smother for a breath of air. The day is getting closer when she will go away. When she goes away she will be reborn into another wonderful place!

This lady is my grandma and I am writing to wish Lillie Belle Saylor a Happy, Happy Birthday!

Elect John H. Kemper

Rockcastle County Sheriff

To the people of Rockcastle County:
There have been many major events affecting the citizens of the United States. On September 11th, terrorism united our states even more, but there is still much work to do. Our country must be united first. Our main problem in Rockcastle is drug related, and that must be stopped. Young people die every day in this country because drug abuse is killing our future. I think we must be united to stop this problem and that is why I am running for Sheriff of Rockcastle County. By pulling lever 13 you will be electing an honest and hard working family man to serve the people of our great county. I believe the law should be partnered with the community to protect and serve.

Together we can put a stop to the drug problem we face; together we can make the community safe for parents and kids; together we can make the streets and roads safe for family outings. Together we can do what is needed to have a bright future. United we stand, because we are the people of the United States.

A vote for me on Tuesday would be greatly appreciated.
Remember to pull lever 13 for the future
Vote John H. Kemper for your next sheriff • Thank you for your support
