Lambert tells graduates to help others

Rentacky Supreme Court Chief Justice Togeth Lambert was the keynote speaker at Sunday's graduation at Rockeastic County High School. The Chief Justice told the 185 graduates that, "The game of life begins today, be ready to take advantages of the opportunities that will surely come."

Lambert also told the graduating class of 2002 that "recognition of a duty to serve mankind is as old as civilization and I can dink of no time in history when such service is more desperately needed.

Lambert told the graduates to take the winderful spirit of the high school with them into the world and help other people.

The Chief Justice also told the

Three new administrators hired recently

Rockcastle County School Su-perintendent Larry Hammond agn-nounced this week that he has filed two positions at the Central office and the principalship at the Alterna-tive School. Roundstone Principal David Pensol, 41, was hired as the new Instructional Supervisor for the dis-trict, replacing Shelly Reynddds, who along with Assessment Coordinato Claudianna Cash are retiring on June 30th.

Solutions and the state of the

Hammond said that the principal's job at Roundstone had been posted and he would accept applications until

July 1st.

The new Site Based Council at Roundstone will begin the hiring process after that.

Members of, the council at Roundstone, who will be responsible for hiring, are teachers Michelle Alkin, Renee Burdett and Ann Abney.

Akin, Renee Burdett and Ann Abney. Parent members of the council are Susan Jordison and Diane Walker. A hiring committee including Principal Anthony Coffey are also in the process of hiring a new assistant principal to replace Onna Kaye

Blood drive

There are few of us who would hesitate to save the life of another human being if we were given the opportunity to do so. However, heroism isn't always displayed in the midst of flashing lights and sirens; there is another act we can perform to save a life...donating blood. It's a (Cont. to A-6)
