Request for Bids from Certified Installers for Septic System Installations
BID #16-1062

The Cumberland Valley RCAD Council, Inc. in conjunction with PRIDE (Personal Responsibility in a Desirable Environment) is soliciting bids from installers desiring to install septic systems for southern and eastern Kentucky. The successful bidder will be required to complete installation of the systems within sixty (60) days of the date of the award.

The Scope of Work, Request for Bid, and General Conditions is available upon request. Interested installers should send statements and proposals to the Rockcastle County Conservation District on September 6, 2002 at 3:30 p.m. Faxed or email proposals will not be accepted. Liability insurance in the amount of \$300,000 and proof of workers compensation insurance or a worker's compensation exemption form is required with each bid.

A selection committee will review, evaluate and rate each bid based on their submitted bid. The Rockcastle County Conservation District will contact the installer with the winning bid and enter into negotiations. If the parties are unable to negotiate a satisfactory agreement, the second ranked installer will be contacted. Once an installer has been selected, all unsuccessful installers will be promptly notified. The selection committee will adhere to the provision of Title VII of the Civil Rights Act of 1964, Section 3. No person shall be excluded from participation in, denied benefits of, or subjected to discrimination in the implementation of this program on the grounds of race, color, national origin or sex. Females and minorities are encouraged to apply.

The National Oceanic and Atmospheric Administration provides funding for this project. The formal solicitation of seeking qualified installers is being conducted to fulfill the requirements of the funding agency.
