By: Pam Chaliff

The Rockcastle County Library has been the recipient of several donated books during the past few months. Mr. Clayton Ponder has donated two copies of "The Fourth Marine Division in World War II." Mr. Ponder and his brother, A.B. were both members of the Fourth Marine Division and made all landings with the division. The fourth division saw action on Iwo Jima and Saipan. Mr. Ponder had five other brothers who fought in World War II. All seven brothers were in service at the same time. These Ponder brothers were the sons of W.H. and Flora Carpenter Ponder of Livingston. We appreciate Mr. Clayton and his generous donation to our library. If you will want to see this book.

The library has also received new copies of several of the "Chicken Soup of the Soul" books. The good friend who donated these titles wishes to remain anonymous, but we certainly appreciate the generosity of this individual.

Our children's library received several nice books that were donated by Lawrence Bullock. Thank you Mr. Bullock for remembering our library and the county's young people.

We have many new fiction titles that the library has purchased. Some of these include: "Daddy's Little Girl" by Mary Higgins Clark, "Red Rabbit" by Tom Clancy, "Her Father's House" by Belva Plain, "Partner in Crime" by J.A. Jance, "Charleston" by John Jakes, "Whisper and Lies" by Joy Fielding, "Dark Horse" by Tami Hoag, "The Grave Maurice" by Martha Grimes, "Stone

Kiss" by Faye Kellerman, "Conflict of Interest" by Nancy Taylor Rosenberg, "The Rescue" by Lori Wick, "The Remnant" by Tim LaHaye. Some nonfiction titles are: "Beauty Fades, Dumb is Forever" by Judy Sheindlin, "Mom They're Teasing Me" by Michael Thompson, "Breaking Free from Depression" by David Hazard, "The Weekend Quilter" by Rosemary Wilkinson, "Parenting your out of Control Teen" by Scott P. Sells, "Reducing Stress: Natural Remedies for Better Living," by David Hazard, "Prisoners of Hope: The Story of Our Captivity and Freedom in Afghanistan" by Dayna Curry, "As American as Apple Pie" by Elaine Con. The children's area has not been left out. "Countdown to Kindergarten," "If you take a Mouse to School," and "America a Patriotic Primer" are just a few of the new titles in this area. We get the new

Julia D. Jones books as they become available, along with Boxcar Children, Mary Kate and Ashley and a new series of ages 9-13 is the Remnant series.

We recently added to our collection of insect books since we have so many young folks doing school projects. We have also purchased new books on rocks and minerals, butterflies and have a new reptile book. We have placed some of these new books in the reference section so that they will always be available for anyone who needs to do research. We now prepare a list of all new items that the library receives each month. This includes books, videos and audios. If you are looking for a particular title that we do not have, we may be able to borrow this through inter library loan. There is no charge for this service and we have access to many other libraries, both other public libraries as well as academic libraries in the state. Be sure to stop in and see what you may have been missing. Check out our website at: www.rockcastlelibrary.com

There will be a cleanup scheduled one Saturday every month for a different corridor in the county. The Beautification Task Force is asking for different groups or organizations to sponsor each cleanup. John Holbrook Magistrate District One

In District One, there are about 44 miles of roads and during my two terms 35 miles have been blacktopped. Of this 35 miles, 16 miles were done by the state. In addition, the state has agreed to do 1.6 miles this fall. Many culverts and a few bridges have been installed.

I have made several trips to Frankfort which have resulted in better roads and more water lines to serve more households.

The jail was updated to meet state standards.

The new dog pound is near completion.

911 is in operation and work is being done for the enhanced version.

I am for getting more factories with high paying jobs to locate in Rockcastle.

I will strive to get all county maintained roads blacktopped in district one, if elected.

Rockcastle County is going forward, so let's all work to keep this progress alive.

Your vote WILL BE appreciated.

Call 256-2996 for a yard sign.

I appreciate your support in the past and if elected will work for district one and Rockcastle County.

Welcome To the 34th Senate District

Let me introduce myself.

I'm your Senator, Ed Worley.

Due to Kentucky Senate redistricting, I'm pleased Rockcastle County is now part of my Senate district.

My Family:

This is my wife of 20 years, Jamie "Mullins" Worley and my two children, Preston (18) and Lauren (15). Many of you know my wife. She is a Rockcastle native, the daughter of James and Thelma Mullins of Mt. Vernon. She was a teacher and guidance counselor in Mt. Vernon for 20 years.

My Record:

Rockcastle County was only recently added to my Senate district, but I have been a member of the legislature now for almost four years. Although I am a Democrat, Republican leadership has acknowledged my bipartisan commitment to bettering our community by appointing me to two of the most important committees in the Senate, the Education and Budget Committees.

Out of 38 Kentucky Senators I was ranked by the Kentucky Gazette as the #2 most effective at securing funding for my home district; second only to the President of the Senate.

I Take This Personally:

I don't just represent you...I represent us. This district is my home too. My family and I have lived in Richmond for 27 years. I graduated from EKV. I started my political career here in 1978. I was City Manager of Richmond for almost 14 years. I am currently an active local leader and developer. I'm on the board of directors for the Richmond Industrial Corp., Richmond Recreational Corp., our local YMCA and Richmond Little League. I take improving the quality of life here in central Kentucky very seriously.

My Contact Info:

It is my job to be your voice in Frankfort. Your opinions are very important to me and I would like to hear from you regarding the legislative matters before us. If you have questions or if I can be of assistance, please contact me at 502-264-8100 ext. 651 in Frankfort or at my office, 859-623-6524.
