Elect

Doug Bullock for Mt. Vernon Mayor

Citizens and Voters of Mt. Vernon! The day is close when we must decide which way the future of Mt. Vernon will begin. Many people are interested in different things such as:

1. Jobs, including factories and businesses which will require a labor pool which we have, low tax rates and we need a natural gas supply for economical energy.
2. All remaining audits be finished so the city knows where it stands financially.
3. Foul odors from sewer treatment plant.
4. More police patrols at night.
5. Ditchlines that cause erosion in driveways and flooding.

If Elected Mayor:

1A) I will work hard to get factories and businesses here and will help all the other councils that are trying to get a natural gas pipeline to this area. I have worked for several gas companies, such as Delta, Columbia and Tennessee Pipeline and I believe this could be beneficial.

2A) I will provide the help and resources to our city clerk to get all records to our auditor. Also, I would like to have a monthly financial statement provided to the city council and of public record so everyone will know what the financial state of our city is.

3A) There are different chemicals that can be added to cut back on the odor of the sewer plant so the people who live in the area can breathe the same fresh air we do.

4A) I believe no officer could be alone in a dangerous situation. I have been assured by the Sheriff-Elect Darrell Doan that, if needed, he will supply the city backup officers.

5A) Many residents have shown me ditchlines that need to be opened and also new tiles that need to be put in such as at Carter's Market. Many sidewalks are broken and need repair.

6A) If elected, I will be a full time Mayor and, if an emergency arises, I'll be there to help. I have the experience in water lines, sewer lines, gas lines, concrete work, streets and bridges, along with 30 years of filing tax papers for individuals.

I greatly appreciate the warm welcome that I have received in every home.

I am #1 on the Mayor's Ballot -- Elect Me Your New Mayor.
