"What Saith the Scriptures"

"What Saith the Scriptures?"
In Eph 2.1-6 we read, "And you hath he quickened, who were deed in trespasses and sins: Wherein in time past ye walked according to the course of phis world, according to the prince of the power of the cirr, the spirit that now workein in the children of dissoledners: Among whom also we all had our conversation in times past in the lusts of our flestly fulfilling the deserve of the flest and of the mind, and were by hame the children of wrath, even as others. But Gold, who is rich in mery, for his great low whereith be loved us. Even when we were dead in stins, hath quickened as together with Clirist, (by grace ye are saved.) And hanh quickened as together with Clirist, (by grace ye are saved.) And hanh rateful as up together, and made us sit together in heavenly places in Clirist Jesus." In this text we have a "before" picture, vs. 1-3. And then an "Alter" picture, vs. 4-6. Before we obey the gospel we are dead in sin, disobedient, children of which. But by the mercy and grace of God, fragiveness, life and the chapact is in heavenly places in made possible for us through Jesus Christ our Lord What God is looking for, are those humble souls who will submit to the conditions of salvation faith and obedience. Where do you stand before God spiritually, dead or allve?

November 5th General Election - Non-Partic My message is clear, simple and to the point.

I have enjoyed these 14 years working for the people in Mt. Vernon and Rockcastle County. If I could help anyone, I have always tried. Now it's time to get down to the business of looking ahead to the next four years. I'm now asking you to help me, If you feel like I'm trustworthy, able to meet the challenges that the next Mayor will face, experienced and knowledgeable of what city law is and how it works according to law, that I will continue working diligently and provide the needed services all over Mt. Vernon and believe that I will allow our Industrial Development Board to work with me to bring more and better jobs to our county, make improvements and expansions to our sewer plant, and lines, install equipment and add personnel to our water treatment plant to secure safe drinking wa ter, that I will bring our city audits that haven't been done since 1999 up to date and will go from there to see what has to be done-

then you should go to work to see that I'm your next Mayor!

I won't take your tax dollars, spend it without anything to show for it and turn around and tell you they have to be raised: No! No! No!

I encourage everyone who hasn't decided who they're for yet to ask yourself: Do1 want Mt. Vernon "to be a brighter place", to live, work, or raise my family? The future can be bitter or sweet

All votes add up. Can you afford not to vote on November 5, 2002 Non-Partisan City Election? All your support and encouragement is genuinely appreciated. If

you can vote - please do November 5th. Clarice Rever Forby
