Pastor Appreciation

In appreciation of our pastor and his wife, Bro. Joe and Sister Sandy Vanwinkle, we would like to extend our love and appreciation. They are two very special people in the lives of everyone at New Hope. He has been our pastor for the past few years and it is our prayer that he will be our pastor for years to come. We all love them so much and appreciate everything they do to help.

Our church has grown so much since God sent Bro. Joe our way, we have seen souls saved, people dedicated their lives. You can feel the good spirit and joy in the good messages that God sends through Bro. Joe.

Bro. Joe and Sandy are always there when someone needs them. They make many trips to the hospital to have prayer and spend time with the family. He always has a kind and comforting word for a family who has lost a loved one.

It is easier knowing you have a pastor and wife that feels your pain and loss. We here at New Hope are so thankful that God sent Bro. Joe and Sandy to be our pastor.

Our prayer is that Bro. Joe will be our pastor for years to come, but if God should send him some where else our love and prayers will be with them.

We all still miss Bro. William at church. He passed away a year ago.

He's gone home to be with Jesus. He will always be in our thoughts.

Bro. Joe and Sister Sandy we send our love and prayers to you. We love you all so much.

Love & God Bless
