

Minds in the Middle

Yearbook order forms were mailed home to students. The deadline for ordering has been extended to November 1. The cost of a yearbook is \$20.00. Students should turn in order forms and money to their homeroom teachers.

Several students involved in the 21st Century Community Learning Center enjoyed bowling Tuesday afternoon in Richmond. The 7th grade Adventurer and Enterprise students viewed *The Legend of Sleepy Hollow* Wednesday in Danville.

Friday and Saturday, the 6th grade Lady Rockets will be playing at Estill County. The 7th and 8th grade teams will compete at home against Garrard County on Tuesday and against Northern Putnash next Thursday.

We have had a slight change in our lunchroom schedule. We greatly appreciate the students for their cooperation and will be rewarding them with free ice cream. The schedule is working great as students have more time to eat and the lunchroom environment is much more organized. We also appreciate the staff who have helped to make this change easier.

Eighth graders who wish to apply for the Robinson Scholar Program need to turn their applications in to Ms. Cromer as soon as possible. **YSC Center**

It's never too late to get involved in your child's education. Parental involvement produces higher grades and test scores, better attendance, more homework completion, higher

graduation rates, increased enrollment in education after high school, more positive attitudes toward school and better behavior (just to name a few)! Encourage your child to read. Read aloud to your children. Visit the library regularly and let your child know you care. When schools work together with families to support learning, children tend to succeed. The middle school years are an important time to be involved because parental guidance is a key to developing a successful student.

Jones named to "Who's Who"

Erica Janelle Jones, daughter of Eddie and Jane Jones of Orlando and a senior at Rockcastle County High School, has been named to "Who's Who Among American High School Students, 2001-2002."

Only 5% of the students in the nation's 24,000 high schools are honored in *Who's Who* each year.

Miss Jones is now eligible to compete for one of 200 scholarships of \$1,000 each which will be awarded this year. Over \$3,000,000 has been awarded through this program to date.

Club activities in which Miss Jones is involved include Math, FFA, Future Educators, Art Club and Rocket Club. In addition to carrying a 3.5 GPA, Janelle was also on this year's RCCHS volleyball team, was a school dance team member for 6 years and is a member of All Star Dance this year. As a community service, Janelle enjoys working with the RCMS dance team.

Janelle was also recently nomi-

nated by Leslie Scaff, art teacher at RCCHS, to represent RCCHS at Eastern Kentucky University's annual on-campus "Art Weekend," November 8-9.

During this time, Janelle will be introduced to the facilities, faculty and program of a collegiate school of art.

Judge William Howerton on Amendment #2

Judge William Howerton is former Chief Judge of the Kentucky Court of Appeals.

"Kentucky's constitution is not our one and only. It's our fourth. As each new constitution was adopted, it was probably appropriate for the time, but when it became outdated, we got a new one.

I was Chairman of the Blue Ribbon Commission that recommended the changes in Amendment 2 nearly fifteen years ago. Elected officials, representatives of labor and business, members of the judiciary and the news media were members of the Commission which recommended the changes embodied in Amendment #2.

"I can't tell you what benefits we have lost due to our constitution, but I firmly believe Amendment #2 will allow us to compete better with our sister states."

Vote yes!
on Amendment #2
It's a good thing.

Notice

Rockcastle Water Association is extending an invitation to the people on Boone Cromer Road, located in the Sand Springs section of Rockcastle County, to put their money in for a water service on said road. We are in the process of evaluating the need and feasibility of installing a water line to serve all or part of the people in this area. It is our goal to serve as many people as possible. If you have any questions you may call Rockcastle Water at 256-5480. The deadline to pay for your service is October 31, 2002.

Thank You,
Rockcastle Water Association
