

Dear Editor,

Danny Ford has been our State Representative for the last 20 years and he has served us well. The respect of his peers and the fact that when they elected him as their floor leader, Danny has been endorsed by Right to Life, NRA and has been voted the Taxpayers Friend each year that he has served in Frankfort.

Danny has maintained his convictions and integrity during all these years. Many people have said that politics will corrupt you but this is one man that it hasn't corrupted. Danny has never forgotten about who he is and what is really important and valuable in life.

As I have been out campaigning for Danny I have heard many times from people that "He can't be beat!" "He'll win by a landslide." That kind of thinking is dangerous because it causes people to be complacent and apathetic. When you believe someone can't be beat you don't work in their campaign because you think "He doesn't need me!" In fact, when you think your candidate "Can't be beat" you don't even bother to vote because "He doesn't need you." After all "He can't be beat!"

When all the votes are tallied everyone seems genuinely surprised that their guy that they thought couldn't be beat LOST! ANYONE CAN BE BEAT! All that it takes is very few working in the campaign

and a percentage of presumptuous people that don't bother to cast their vote. That formula will beat even the best man.

We cannot afford the risk of Danny losing as our representative. We still have two weeks to get involved in this campaign. These next two weeks are the most important and will determine if Danny gets re-elected. There is still a great deal to do and Danny really needs YOU to get involved.

Call us at 256-5862 and we will tell you how you can help.

Hunting and fishing license buyers must present proper ID

The Kentucky Department of Fish and Wildlife Resources (KDFWR) has taken a step to comply with new Child Support Enforcement Regulations with regard to the sale of hunting and fishing licenses.

Child Support Enforcement Regulations, promulgated after changes in federal and state law, now mandate that all license and permits issued by a state agency must be able to be cross-referenced with a database of individuals delinquent in making child support payments.

These regulations further prohibit the KDFWR from issuing sport hunting and fishing licenses to those individuals.

To comply with these laws, the KDFWR must eliminate the ID Form option when purchasing a license. In order to buy a license, hunters and

anglers will be required to present their social security number, driver's license number or their disability authorization card number to the license agent.

Those individuals who do not have a social security number, driver's license number or a disability authorization card number should have the license agent call the KDFWR Licensing Help Desk during normal work hours for further instructions.

This change is a result of a federal mandate for all licensing agencies.
