

Minds in the Middle

This week, we have been honoring Red Ribbon Week for drug awareness. A special thanks to the cooks for our red meal on Wednesday!

Congratulations to those six graders who have been named to the boys basketball team: Jacob Riddle, Jordan Cash, Asa Adams, Maverick Whitehead, Daniel Martin, Allen Burdette, Justin Bryant, Dustin Bullock, Cody Mizze, Bryan Clontz, Cody Kirby, and T.J. Singleton.

The deadline for ordering yearbooks has been extended to this Friday, November 1st. The cost of a yearbook is \$20.00 and should be given to homeroom teachers.

The FCA would like to thank Bro. Bruce Ross, pastor at First Christian Church of Mt. Vernon, for bringing their devotionals. They would also like to remind students that FCA meets every Tuesday morning at 7:50 in the band room. All students are invited.

An Anger Management class will be added to our list of 21st Century Community Learning Center activities on Wednesday afternoon.

This week is the deadline for Robinson Scholar Program applications. Those should be turned in to

Ms. Cromer's office.

This Thursday evening, the girls basketball teams will take on Northern Pulaski at home.

Remember that we will not be having school on Monday or Tuesday of next week.

YSO Update

For several years, schools (including RCHS) have been using Red Ribbon Week to make students more aware of the dangers of using drugs.

The National Family Partnership organized the first Nationwide Red Ribbon campaign in 1988. This effort began in response to the death of Enrique Camarena. Enrique was an undercover Drug Enforcement Administration officer who was tortured to his death in 1985 in Mexico.

In honor of his memory and his battle against illegal drugs, his friends and family began to wear red badges and form coalitions. These coalitions adopted Enrique's belief that one person can make a difference.

This week would be a great time to talk to your child about the dangers of drug and alcohol use.

the RCHS JROTC.

Ross was also selected as the 2001-02 Kentucky Governor's Scholar. The Governor's Scholars Program is a stimulating, five-week,

residential summer program for outstanding Kentucky students completing their junior year in high school. Many colleges and universities from across the state of Kentucky offer scholarships to these students.

Mt. Vernon Message

Thursday (today) will be our Dress-Up Day! Students may dress up as their favorite story book character. Fifth grade students have been researching careers that they would like to pursue. As part of their study, they will be dressing as their chosen career person and presenting their research to our primary classes on Thursday.

Students in Mrs. Clontz and Mrs. Cable's classrooms enjoyed guest readers on Tuesday, Aaron Anderkin, dressed as Paul Revere, read the story of the famous midnight ride. Harold Burdette, dressed as Johnny

Appleseed read the story of Johnny. Project Wisdom readers for last week are as follows: Amber Whitaker, Richard Barron, Devon Davidson and Joseph Baker, students and Tammy Schrader, art teacher, was the mystery reader.

Thanks to all who have participated in this project. Quote for the week is "The greatest hope for our society is individual character."

McClure named Who's Who

Ross Benton McClure, a senior at Rockcastle County High School, son of Ralph and Joanne McClure of Broadhead, has been named to Who's Who Among American High School Students for 2001-02.

Each year, all 24,000 public, private and parochial high schools are invited to nominate students who have achieved a "B" grade point average or better and demonstrated leadership in academics, athletics or extracurricular activities. In fact 67% of those students selected for publication maintain an "A" average. The

student must be recommended by their high school, church or sponsor of a youth organization. The organization also awards over \$250,000 per year in college scholarships to deserving students, conducts an annual survey of teen views and opinions and helps link college-bound students with the colleges and universities they have expressed interest in.

Clubs Mr. McClure is involved in at RCHS are Key Club, Woodson Institute, RCHS Raider Team and is the President of the National Honor Society. He is a Platoon Leader for
