In Loving Memories

In Memory of Robert Allen November 14, 1962

God took you away from us a year ago today.

I remember the shock I felt, the feelings I could not explain.

You were always supposed to be around, the one who was always there. Now the only time I can talk to you is at night in my prayer.

Some say in time the heart will heal and the hurt will go away. Those people did not feel the pain we felt a year ago today.

I see things that remind me of you, the days when we were young. We did not have a care in the world, we were determined to have fun.

We know you're looking down on us, we hope we make you proud. When we get to heaven I'll be able to pick out your face in the crowd. We love you and miss you.
Dad, Darlene, Jason & Sabrina

In Memory of Raymond

Leonard
To my good companion, Raymond, you've been gone away from us for five years. But you're never far from our thoughts and mind. Sometimes I get really lonely here and get home sick to come and join you. My sweet sister came and joined you this week. I know you all are happy with all our friends and family. Keep looking for me. I'm coming soon. We miss you and love you.

Sadly missed by:
Your wife, Edith Lunsford,
children and grandchildren

Cards of Thanks

Emory Chandler

The family of Emory Chandler would like to thank everyone for the kindness shown to them during the loss of their loved one. We appreciate everyone and everything you did. Extra thanks to Dowell & Martin Funeral Home, Arnold Pingleton, Denton Sears and Angie Blanton.

Thank You

His eye is watching me. I woke up singing this beautiful song. Again, God had lifted myself and the family through the valley of death. I had my complete thyroidectomy done September 27 and the doctor took out 16 growths. Thought that was all - but, unexpectedly on November 8 I had another heart attack and was trans-

ported to St. Joe for tests. It was determined that I had no choice, but to have triple bypass. All signs were 100% closed again. I had surgery done and was in a drug induced state for three weeks. The family was called in and it was "touch and go" for a number of days. Finally, I turned the corner and began to come back. Thanks for the many cards and prayers from both Madison and Rockcastle. Most from people I didn't know. There is a need for BL OOD to be given anywhere in the USA. Just label to go to St. Joe, Lexington for LeEd Nielsen. God bless everyone.
