middle school student can become a
whole new bullgame when compared
to previous parenting experiences.
According to The Parent Institute,

issue when they can never find their
field trip permission-forms and their
room is never neat. Forgettilutess
appears when they forget to give you
messages, forget their science book

By: Carey Frederick
Today my brother, Kyle and I

Brodhead Fire Department. The first
thing we got to do was put on the fire
suits and climbed up into the fire
truck. The next thing we did was we.
climbed up the stains with our suits

brown and were very heavy, or it took on. The life suits were yellow and brown and were very heavy, so it took a long time to get place to place. I can only imagine how hard it is for a fireman to do his job.

freman to de his job.

We also got to see the rooms and
play pool. Then we took off the statis
and played games, and then we took
the suits back dowpstains. The last
thing, was that Mr. Graves gave Kyle
and myself suckers and poor. Then
on our way home Mr. Graves took us for
a ride by his house. Every year for

the holidays; Mr. Graves decorates his house.

Finally we arrived home and thanked Mr. Graves for taking us to the Brothead City Fire Departure.

I could not wait to tell my Mom all the things we did. Jako called the or wait to tell my Mom all the things we did. Jako called not holis was not what we had done. This was a certifing tup to Brothead City Fire Department.
