In Memory of Edgar Adams

3-26-1932 - 6-8-2003

Thinking of you on your birthday
With sadness in our hearts.
For a very special someone
From whom we had to part.

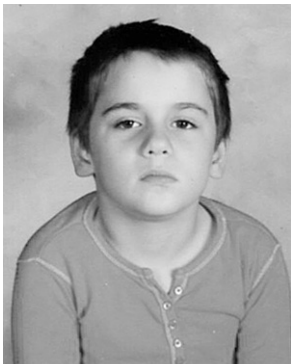

We never need a special day,
To bring you to our mind,
For days without a thought
of you,
Are very hard to find.

Each day we think about
you,
And realize you have gone.
We can't explain the emptiness,
That life has now become.

They say that times a healer,
But that, we are not too sure,
For everytime we think of
you,
We miss you more and more.

We cannot send a birthday
card,
Your hand we cannot touch
But God will give our greetings
To the one we love so much.
We hope you have a happy
birthday,
We send all our love,
For we know you look upon
us
From Heaven up above.

*Missing you everyay,
Love Always,
Gladys and Family*

Heaven's Playground
When Dora go to Heaven,
What does she do all day?
Is there someone up there
To join with her in play?

Will there be someone to
hold her
And cuddle her with love,
Will they teach her how to
fly
With the angels up above?

I think I know the answer
And it fills my heart with
joy,
She's in Heaven's playground
Running with all the girls
and boys.

There are angels blowing
bubbles
Lovely music fills the air
Tiny pups to play with,
Dora's happy there.

*In Remembrance of a
precious and very loving
daughter, sister, aunt and
grandchild.*

*We all miss you, Daddy,
Mommy, Jimmy Simpson,
sisters, brother,
grandmother, nieces,
nephews and friends.*

Guys, you've blocked a 300 pound lineman.

This is just a colonoscopy.

Colon cancer screening saves lives. Screening detects precancerous polyps and allows them to be removed before turning into cancer. Screening also helps find colon cancer at an early stage, when treatment often leads to a cure. So, please, take control of your life and your health – if you're turning 50 or are experiencing abnormal symptoms, GET SCREENED. And urge those you love to do the same. Speak to your healthcare provider about scheduling your colonoscopy today.
