In Loving Memory of Mildred Ann Bullock

It is hard for me to believe that it has been 21 years since God took you home to be with Him.

I couldn't understand why, at first, but as the years go by, I know He couldn't stand to see you suffer and cry as your heart was being broken so much.

I miss you every day and I know that some day we will be together again and I won't have to see those tears run down your pretty face for God has wiped them all away and you are in peace and happiness at last.

I love you and miss you every day.
