In Loving Memories

In Memory of Donald Adams

We all miss you and love you so very much. We miss all your funny faces that you made and all the funny moves that you made. We'll never forget those.

We all miss your presence, your laughter, your smiles and your wisdom. We miss it all.

You were called home early. We didn't have time to spend with you. No time to say goodbye or to tell you how much you'll be missed, or to tell you we'll always treasure all our times together always.

You were such a great person. You had no enemies, none. There wasn't any kid that knew you that didn't love you. That was such a special gift you gave to them. We will always remember you and keep you deep in our hearts. We will see you again some day. A great dad, grandpaw, person and the best friend anyone could ever have. We all miss and love you so very much.

Your Family (always)

Gone But Not Forgotten

We all love and miss you
