Nurse nominated for extraordinary service

Ephraim McDowell Fort Logan Hospital (EMFLH) is pleased to recognize and honor one of its nurses for her extraordinary patient care. Kacey Scoggin Nicely, BSN, R.N., CLC, a nurse in the Emergency Department at EMFLH, was one of many nurses nominated for the DAISY Award. A resident of Rockcastle County, Nicely has been caring for patients at EMFLH for 5 years.

She was nominated by two co-workers. One of the co-workers said "Kacey is a great resource for this hospital. She is always attentive to her patient's needs and truly has their best interests at heart. Her bubbly personality always adds to a positive environment for everyone around. She is always willing to help others whether it be in a procedure, charting or even just to toss around ideas on different interventions for patients. There is never a time that she doesn't stop what she is doing to answer one of my many questions. Her coworkers would agree that she is always there when you need a helping hand. I feel honored to call her my co-worker and friend.'

Ephraim McDowell is proud to recognize nurses with the DAISY Award, a national program that honors the compassionate care and clinical excellence that nurses bring to their patients every day. Nomination forms for the DAISY Award are available at various locations throughout EMFLH and Ephraim McDowell Regional Medical Center online www.emhealth.org.
