### SCHOOL BUS RULES AND REGULATIONS

The privilege of any pupil to ride a school bus is conditioned upon their good behavior and observance of the following rules and regulations. Pupils violating these rules and regulations shall be reported to the principal of the school which the pupil attends for necessary corrective action.

Safety is the primary concern in the transportation of pupils. In order to assure proper safety, it is vital that pupils and parents understand the rules and regulations of school bus riding. Following is a list of basic rules and regulations adopted by the Rockcastle County Board of Education and the Kentucky Department of Education:

1. Arrive at a bus stop on time. The bus has many scheduled stops and cannot be delayed.
2. Never stand in the road while waiting for the bus. Parents should encourage safety measures for pupils as they wait for the bus and walk home from the bus.
3. Cross a safe distance (10 feet) in front of the bus so the driver can see you.
4. Take a seat upon boarding the bus and do not change seats while the bus is in motion.
5. The driver is in charge of the bus and pupils and has the authority to assign seating arrangements.
6. Keep noise to a minimum so that the driver's attention can be devoted to driving.
7. Do not extend arms, legs or head out the bus windows.
8. Obey the rules posted on each bus.
9. Do not block aisles in any way.
10. Knives/other sharp instruments are not permitted on the bus.
11. Never run toward the bus. Always load and unload when the bus has come to a complete stop.
12. Apply the above rule (No. 11) when transferring buses.
13. Never use the rear exit unless an emergency exists.
14. Ride only your assigned bus unless you have a signed note from the principal. Parents must write or call the principal to obtain permission for pupil to ride another bus or to exit at a different stop.
15. Report any damages to the bus.
16. Do not occupy more space in a seat than required.
17. Open and close windows in compliance with the driver's instructions.
18. Pupils and parents are to accept the responsibility of listening for dismissal announcements on the radio on days when inclement weather disrupts the regular schedule.
19. The following rules are of particular concern and the activities mentioned are prohibited at all times:
  - a. Use of profane/foul language.
  - b. Smoking or other use of tobacco on the bus.
  - c. Fighting on the bus.
  - d. Destruction of bus property.
  - e. Defiance of driver's authority.
  - f. Throwing objects on or from the bus.
20. Disciplinary Action: Violations of the above stated rules and regulations shall be reported to the appropriate school principal. The principal shall record the incident and determine the appropriate disciplinary action. Should any pupil persist in violating any of these regulations, it shall be the duty of the driver to notify the principal and, after due warning has been given to the pupil and such violation persists, the principal and/or board of education shall then forbid such disobedient pupil the privilege of riding the bus. Written notice of the action of the principal shall be furnished to the parents and the superintendent.
